Your child is attending training this term with Team Keane and has been invited to participate in this terms Schools Regatta. We would also like to extend the invitation to you and your family to watch & support them in their end of term regatta.

It is very important your child attends, as they will be participating as part of a team, and representing the club, competing against other schools with their crew. We cater for all rowing capabilities, from beginners to seasoned racers. If you have any questions regarding your child's potential participation in the event, please direct them either to myself, or your child's coach, before 8th March.

- Racing will start promptly at 11:00, with the first crews boating at around 10:45am.
- Participants will be expected to race in either their school kit if racing for a school, or Team Keane kit or suitable rowing kit, if racing for Team Keane.
