Your child is attending training this term with Team Keane and has been invited to participate in this terms Schools Regatta. We would also like to extend the invitation to you and your family to watch & support them in their end of term regatta.

It is very important your child attends, as they will be participating as part of a team, and representing the club, competing against other schools with their crew. We cater for all rowing capabilities, from beginners to seasoned racers. If you have any questions regarding your child's potential participation in the event, please direct them either to myself, or your child's coach, before 7th June 2019.

- The first crews will start boating at around 11:00am, with racing starting promptly at 11:15am.
- Participants will be expected to race in either their school kit if racing for a school, and if racing for Team Keane, in Team Keane kit if they own any, and if they don't own any Team Keane kit, kit suitable for rowing.
- There will be a BBQ & refreshments available for purchase throughout the day, with all proceeds going towards the clubs charitable aims.
